

Experience the luxury of a wet room

With a complete, premium quality wet room solution from Orbry.

Orbry Wet Rooms

Established in 2011, Orbry is committed to creating high quality wet room components at an attractive price. We produce a wide range of wet room products, including: tile backer insulation boards, waterproofing, walk-in shower trays, drains, shower screens, underfloor heating and wet room accessories, such as tile and mosaic spacers.

At Orbry we love a good-looking wet room and the brand was created from a desire to ensure that the growing trend for wet rooms is accessible to everyone. However, at Orbry we believe that it is what's underneath that truly counts. We encourage people to look beyond the facade and appreciate the importance of quality wet room foundations - because if it's not properly waterproofed then it's a damp room, not a wet room. The benefits of installing an Orbry Wet Room include:

- ✓ **100% WATERTIGHT**
The Orbry system provides a solid waterproof foundation which will eliminate leaks and water damage.
- ✓ **A COMPLETE WET ROOM SOLUTION**
Orbry produces all of the supplies and products needed to install a highly functional wet room.
- ✓ **CAN INCREASE PROPERTY VALUE**
Studies have shown that homes that add a wet room as a second bathroom are of higher value than comparable homes with only a traditional bathroom.
- ✓ **DIFFERENTIATION**
Make your development stand out from competitors. Complete the look of your home and add prestige with a wet room installation.
- ✓ **QUALITY & VALUE**
Orbry produces high quality products created with the user in mind.

Create the backbone of your wet room with Orbry Tile Backer and Insulation Boards

Orbry Tile Backer Insulation Boards are lightweight and easy to handle whilst providing superior waterproofing to your wet area. Available in a variety of sizes, they are incredibly versatile.

- Holds a hanging weight of up to 60kg/m².
- Suitable for use on walls and floors.
- Ideal for use as a waterproofing layer in wet rooms and shower areas, as a backing board for tiles, or as a decoupling and thermal insulation layer with electric underfloor heating.

- ✓ Fully waterproof
- ✓ Heat insulating
- ✓ Light-weight
- ✓ Easy to fix

Our Tile Backer Board Washers are used to fix Tile Backer Boards to stud walls and wooden floors. Supplied in packs of 50.

Choose from an Orbry Linear or Horizontal Shower Tray

Fully waterproof and ideal for tiling over, Orbry Shower Trays have insulating properties and provide a stable foundation for a wet room shower area. Every shower tray can be easily cut to suit your specific needs and bespoke tray sizes and drain positions are also available.

- ✓ Available in a variety of sizes and configurations (corner drain, centre drain, offset drain, linear drain) with a range of dimensions to choose from.
- ✓ 10-year guarantee against manufacturing defects.
- ✓ High compressive strength.
- ✓ Fire retardant material.
- ✓ Suitable for both waterproofing and insulating.
- ✓ Bespoke sizes and drain positions available.

Orbry Drains

The Orbry Shower Trays can be ordered to fit either a standard horizontal drain or a sleek, modern linear drain. All drains are compatible with 2" or 1 1/2" waste piping systems.

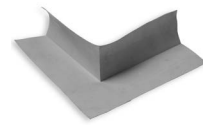

Choose from an Orbry Designer Stainless Steel Grate or Tileable Drain Cover for your Orbry Horizontal Drain.

Opt for an Orbry Stainless Steel Cover or an Orbry Tileable Cover for your Orbry Linear Drain.

Completely tank and seal your wet room area with the complete **Orbry Waterproofing** product range.

Orbry Waterproofing Corners

Orbry Internal and External Waterproofing Corners are preformed to ensure a waterproof seal in the corners of your wet room.

Orbry Waterproofing Tape

Waterproof all the joints in your wet room using Orbry Self-Adhesive Waterproofing Tape or Orbry Waterproof Tape Roll and Sealing Compound.

Orbry Waterproofing System

Our 2-part Waterproofing System is the perfect solution for use on timber and concrete floors.

Orbry Shower Screens

Create a unique and minimalist look in your wet room with a frameless shower screen from Orbry. Each shower screen kit includes a glass shower screen made of 10mm toughened glass that is coated with genuine Clearshield™ coating, surface (sit-on) wall and floor channels, and a telescopic wall bar. Upgrades and extra items are available and can be added to any kit.

- ✓ 10mm TOUGHENED GLASS
- ✓ GENUINE CLEARSHIELD™ COATING
- ✓ SURFACE WALL AND FLOOR CHANNELS

The Orbry Lifetime Guarantee

If you choose to install a complete Orbry wet room or shower room, then you will be covered by the Orbry Lifetime Guarantee. This is only available when you use the complete Orbry system, and install it in accordance with the Orbry installation guides.

There is a lifetime guarantee on all Orbry non-electrical branded products if proven that the products have been installed and maintained in accordance with all Orbry installation instructions. The guarantee excludes normal wear and tear, any modifications, neglect or misuse. When used in commercial situations, the Orbry Lifetime Guarantee is limited to a period of five years. *Note: Liability does not extend to consequential loss or damage that arises from defective products. The liability is limited to the price of the original goods as they were supplied.*
